STATE LAW/REGULATIONS	MEDICAID PROGRAM
Definition of telemedicine/telehealth	
<p>“Telemedicine means the delivery of medical services and any diagnosis, consultation, or treatment using interactive audio, interactive video, or interactive data communication.”</p> <p><i>Source: CO Revised Statutes 12-36-102.5 (2012).</i></p> <p><u>Workers’ Compensation</u> Telehealth is often used to encompass a broader definition of remote health care that does not always involve clinical services. Videoconferencing, transmission of still images, e-health including patient portals, remote monitoring of vital signs and continuing medical education are all considered part of telemedicine and telehealth.</p> <p><i>Source: 7 CO Regs. Rule 18.</i></p>	<p>No reference found.</p>
Live Video Reimbursement	
<p>Health plans for patients in counties with 150,000 or fewer residents cannot require face-to-face contact between a provider and a patient for services that could be appropriately provided through telemedicine, subject to the terms and conditions of the health benefit plan.</p> <p><i>Source: CO Revised Statutes 10-16-123 (2012).</i></p> <p><i>(also see Medicaid column & “Private Payers” section)</i></p>	<p>Colorado Medicaid will reimburse for medical and mental health services. Services shall be subject to reimbursement policies developed by the medical assistance program.</p> <p>Reimbursement must be the same as in-person services.</p> <p><i>Source: CO Revised Statutes 25.5-5-320 (2012).</i></p> <p>Colorado Medicaid does not pay for provider or patient education when education is the only service provided via telemedicine.</p> <ul style="list-style-type: none"> • No enrolled managed care organization may require face-to-face contact between a provider and a client for services appropriately provided through telemedicine if: The client resides in a county with a population of 150,000 or fewer residents and • The county has the technology necessary to provide telemedicine services.

STATE LAW/REGULATIONS	MEDICAID PROGRAM
	<p>The use of telemedicine is not required when in-person care by a participating provider is available to an enrolled client within a reasonable distance.</p> <p><i>Source: CO Medical Assistance Program, Telemedicine Manual, p. 3-4 (Sept. 2013).</i></p>
Store and Forward Reimbursement	
<p>No reimbursement based upon definition of “telemedicine” which describes telemedicine as “interactive” implying that it happens in real time.</p> <p><i>Source: CO Revised Statutes 12-36-102.5 (2012).</i></p>	<p>The CO Medical Assistance Program will only reimburse for “live” telemedicine, excluding store and forward. Peripherals, such as transmission of a live ultrasound exam, may be reimbursed.</p> <p><i>Source: CO Medical Assistance Program, Telemedicine Manual, p. 3 (Sept. 2013).</i></p>
Remote Patient Monitoring Reimbursement	
<p>(see Medicaid column)</p>	<p>The CO Medical Assistance Program will reimburse for Remote Patient Monitoring at a flat fee set by the state board when all these requirements are met:</p> <ul style="list-style-type: none"> • The patient is receiving services from a home health provider for at least one of the following: congestive heart failure, chronic obstructive pulmonary disease, asthma, or diabetes; • The patient requires monitoring at least five times weekly to manage the disease, as ordered by a physician or podiatrist; • The patient has been hospitalized two or more times in the last 12 months for conditions related to the disease; • The patient or caregiver misses no more than five monitoring events in a 30-day period; • The patient’s home has space for all program equipment and full transmission capability. <p><i>Source: (Reimbursement): CO Revised Statutes 25.5-5-321 (2012). Source: (Requirements): 10 CO Code of Regulation 2505-10.</i></p> <p>Additional restrictions apply. See Colorado Code of Regulations for more information.</p> <p>Medicaid Home Health will reimburse for services only if the patient has no other insurance.</p> <p><i>Source: 10 CO Code of Regulation 2505-10.</i></p>
Email/Phone/FAX	
<p>Private payers and the managed care system are not required to cover telephone or FAX services.</p> <p><i>Source: CO Revised Statutes 10-16-123 and Colorado Revised Statutes 25.5-5-414 (2012).</i></p>	<p>No reimbursement for telephone. No reimbursement for FAX.</p> <p><i>Source: CO Medical Assistance Program, Telemedicine Manual, p. 3 (Sept. 2013).</i></p>
Online Prescribing	

STATE LAW/REGULATIONS	MEDICAID PROGRAM
<p>Pharmacists are prohibited from dispensing prescription drugs if they know, or should have known, that it was on the basis of an internet-based questionnaire, an Internet-based consult, or a telephone consultation, all without a valid pre-existing patient-practitioner relationship.</p> <p><i>Source: 3 CO Code of Regulation 719-1 (2012).</i></p> <p><u>Workers' Compensation</u> The physician-patient relationship/psychologist-patient relationship can be established through live audio/video services.</p> <p><i>Source: 7 CO Regs. Rule 18.</i></p>	<p>No reference found.</p>
Consent	
<p>Providers shall give all first-time patients a written statement that includes the following:</p> <ul style="list-style-type: none"> • The patient may refuse telemedicine services at any time, without loss or withdrawal of treatment; • All applicable confidentiality protections shall apply to the services; • The patient shall have access to all medical information from the services, under state law. <p><i>Source: CO Revised Statutes 25.5-5-320 (2012).</i></p> <p><u>Workers' Compensation</u> The patient needs to give consent.</p> <p><i>Source: 7 CO Regs. Rule 18.</i></p>	<p>The Medicaid requirement for face-to-face contact between provider and client may be waived prior to treating the client through telemedicine for the first time. The rendering provider must furnish each client with all of the following written statements which must be signed by the client or the client's legal representative:</p> <ul style="list-style-type: none"> • The client retains the option to refuse the delivery of health care services via telemedicine at any time without affecting the client's right to future care or treatment and without risking the loss or withdrawal of any program benefits to which the client would otherwise be entitled. • All applicable confidentiality protections shall apply to the services. • The client shall have access to all medical information resulting from the telemedicine services as provided by applicable law for client access to his or her medical records. <p>These requirements do not apply in an emergency.</p> <p><i>Source: CO Medical Assistance Program, Telemedicine Manual, p. 4 (Sept. 2013).</i></p>
Location	
<p><u>Workers' Compensation</u> Services provided via telecommunications technologies are not covered if the client has access to comparable service within 30 miles of his/her place of residence.</p> <p>Telehealth facilities can bill for the originating site fee if the site is in a:</p> <ul style="list-style-type: none"> • County outside of a Metropolitan Statistical Area (MSA), or • A Health Professional Shortage Area, either located outside of an MSA or in a rural census tract, as determined by the office of Rural Health 	<p>No reference found.</p>

STATE LAW/REGULATIONS	MEDICAID PROGRAM
<p>Policy within the Health Resources and Services Administration (HRSA)</p> <p>Authorized originating sites include:</p> <ul style="list-style-type: none"> • The office of a physician or practitioner • A hospital • A critical access hospital (CAH) • A rural health clinic (RHC) • A federally qualified health center (FQHC) • A hospital based or critical access hospital based renal dialysis center (including satellite) • A skilled nursing facility (SNF) • Community Mental Health Center <p><i>Source: 7 CO Regs. Rule 18.</i></p>	
Cross-State Licensure
