<b>Miscellaneous</b>	
<p>Before an osteopathic physician may use telemedicine:</p> <ul style="list-style-type: none"> <li>• A bona fide relationship between the osteopathic physician and the patient must exist which must include, without limitation, a history and physical examination or consultation which occurred in person and which was sufficient to establish a diagnosis and identify any underlying medical conditions of the patient.</li> <li>• The osteopathic physician must obtain informed, written consent from the patient or the legal representative of the patient to engage in telemedicine with the patient. The osteopathic physician shall maintain the consent form as part of the permanent medical record of the patient.</li> </ul> <p><i>Source: NV Revised Statutes Annotated Sec. 633.165 (2012).</i></p>	<p>Telehealth services do not require prior authorization. However, individual services may require prior authorization, whether delivered in person or by telehealth.</p> <p><i>Nevada Dept. of Health and Human Svcs., <a href="#">Medicaid Services Manual</a>, Section 3403.8, p. 9 (Nov. 14, 2014).</i></p>

**Comments:** In 2011, the Nevada Legislature defined telemedicine and established practice requirements.
